

Michael Wunderlin, Director and Treasurer

Mr. Wunderlin has a Master's Degree in Economics the University Johann Wolfgang Von Göthe and a Bachelor's Degree from the Handwerkskammer Frankfurt, in Automotive Bodymaking. Mr. Wunderlin is service administrator of real estate he owns in Bastrop, Hays and Travis Counties owner of Wunderlin Classic Body and Paint (closed after fire in 2011) and was CEO of MAB, an international company providing purification equipment for industrial and municipal wastewater treatment systems. While with MAB he spearheaded an effort to provide water treatment systems to rural areas of Mexico. Having grown up in Europe with a passion for fishing and camping, he has seen first hand the impact of population and industrial pressures on European rivers such as the Rhine, Mosel and Main. Having fished and camped on rivers in Germany, Austria, Italy, New Zealand, Nigeria, the Puerto Montt area of Chili and US rivers in Montana, Wyoming and Texas, Mr. Wunderlin has an appreciation for the ecological, cultural, and health value of river systems. With more than 20 years in the US, Mr. Wunderlin brings his international corporate experience and global awareness of environmental issues to the banks of the Colorado River. He is a strong believer in education and outreach to the communities along the river as a means of protecting the resource for current and future generations.
